Professional Summary

Strategic business development and operations professional with 15+ years' experience driving growth, transformation and large-scale projects across the GCC and Asia. Skilled in building ventures, forming partnerships and delivering scalable solutions in investment, retail, workforce, automation and industrial operations.

Recognized for aligning commercial strategy with operational insight to enable market entry, optimize business models and achieve sustainable growth.

Objective Statement

Business development experience spanning chemical logistics, HR solutions, robotic automation and smart inventory systems. Strong in client engagement, solution design, tendering and partner management, with a proven ability to introduce scalable, technology-driven solutions that optimize operations and drive growth.

Professional Experience

TechPulse Global Saudi Arabia- Workforce • Automation • Smart Warehousing

Head of Business Development | Jul 2025 – Present | Jubail, K.S. A

Role Summary:

Partnering with industrial clients and technology providers to develop automation, HR Solutions, intralogistics and compliant chemical 3PL solutions across KSA.

Key Achievements in Automation & 3PL

- ❖ Drove business development with Tier-1 industrial clients (Ma'aden, SABIC, TASNEE) for automation, packaging and onsite logistics solutions.
- ❖ Led intralogistics and automation projects, including robotic arms, stretch hood packaging machines integration securing approvals with clients like JPP (unmanned project) and Ravago ME.
- ❖ Won and managed long-term 3PL DG storage contracts (Aquaness LLC & Nex Chemia)- **10,000MT per year** for unlimited contract duration.
- ❖ Collaborated with SA Talke & E80- feasible study focused for full scale automation with Tier-1 clients.
- ❖ Established and managed a strong associate partner ecosystem, positioning TechPulse as a single-window solution provider.
- ❖ Bridged end users, EPC contractors and global technology providers, supporting early project shaping, feasibility and pre-bid strategy.
- ❖ **3PL & Client Expansion: Managed 3PL operations and built strategic relationships to expand service offerings.**
- ❖ **Bulk logistics solutions:** Led business development for a bulk polymer logistics project, coordinating with operations on end-to-end execution.

Key Achievements in Business Development & HR Solutions

- ❖ Developing and delivering HR solutions, workforce management and manpower outsourcing services for clients across Saudi Arabia.
- ❖ Handled cost-plus manpower contracts aligned with Saudi HR and payroll compliance.
- ❖ Designed and implemented cost-per-head models, covering salaries, GOSI, benefits, visas, accommodation and service margins in line with Saudi labor regulations.
- ❖ Successfully onboarded foreign companies entering the Saudi market, including:
 - ✓ **E80 Group, Italy**
 - ✓ **Handled, USA**
 - ✓ **ADK Blasts Corp, South Korea**
- ❖ Supported foreign entities with HR market entry services, including:
 - *Workforce structuring & Saudization (Nitaqat) planning, Qiwa, GOSI, Mudad (WPS), Muqeem & Absher Business compliance*
 - *Local manpower onboarding and payroll coordination*
- ❖ Secured manpower and HR service contracts with major regional clients in Jubail.
- ❖ Planned and executed urgent bulk recruitment campaigns across: **India: Chennai, Trichy, Mumbai & Nepal**
- ❖ Executed multi-category recruitment aligned with project mobilization timelines.
- ❖ Managed end-to-end recruitment from sourcing to pre-deployment processing.

CORE SKILLS

- Business development leadership across Saudi & GCC markets
- Micro-level business development research and outreach, including global LinkedIn networking and industry platforms (GPCA)
- CAPEX planning, ROI analysis and techno-commercial evaluation
- Bulk logistics solutions, including industrial packaging, handling, storage and distribution
- Packaging solutions for bulk, chemical and industrial logistics
- Strategic partnerships, alliances and profit-sharing models
- Contract negotiation and high-value deal closure

WR Logistics LLC

Head of Business Development – Market Entry (Project-Based Engagement)

Mar 2025 – May 2025 | Riyadh, K.S. A

- ❖ Supported market assessment and introduction of WR Logistics in the Saudi industrial logistics sector
- ❖ Engaged with industrial clients (SABIC, APC, Tasnee, SATORP, ASMO) to understand logistics requirements
- ❖ Assisted in preliminary commercial discussions and conceptual evaluation of automation and material-handling solutions
- ❖ Represented the company at regional and international forums (GPCA, IPTC) to observe market trends
- ❖ Completed the engagement upon delivery of agreed market assessment and feasibility scope

Schmidt ME Logistics Saudi Arabia

Commercial Manager | 2022 – Feb 2025 | Jubail, K.S.A

(Subsidiary of Karl Schmidt Spedition GmbH & Co. KG, Germany)

- ❖ Managed business development with Tier-1 industrial and chemical clients (SABIC, Ma'aden, Tasnee, etc.,) driving growth in high-volume chemical, bulk, and specialized logistics solutions.
- ❖ Led tendering, proposal preparation, costing for bidding, supplier management and new supplier assessment to ensure competitive, compliant solutions.
- ❖ Introduced existing and new technologies to chemical clients, including palletizing and intralogistics solutions, optimizing packaging and bulk material handling.
- ❖ Built competitor insights and maintained strategic relationships to inform market positioning and business strategy.
- ❖ Represented Schmidt ME at major regional and international events, showcasing brand capabilities and industry leadership.
- ❖ Secured and operationalized a high-volume polymer export logistics contract for containerized shipments from Jubail, Saudi Arabia to Genoa, Italy.
- ❖ Enabled a scalable export flow of 100–200 containers per month, ensuring predictable planning and port handover.
- ❖ Conducted market analysis to identify opportunities, evaluate client needs and implement innovative logistics concepts.
- ❖ **Mega Projects & Strategic Wins:** Led EPC projects (TASNEE silos- CB products, USD 12M) and acquired high-profile clients (SABIC GPS, APC, Tasnee, SATORP), driving business growth and operational excellence.
